

The ONE Journey

"I AM THE ONE UNBOUND AWARENESS and the FIELD of ALL POTENTIALITIES.
I spend eternity pretending this to be untrue, incited by the restless current.
After totality's recollection, there is nothing to do. I seek rest in absolute forgetfulness.
Then, as always, the restlessness prods me awake. Once more I arise and play my game.
I watch, rapt and breathless, as I grow, from NO-THING to EVERY-THING."
